

THE COUNTY GROUND STADIUM CUSTODIANS LIMITED (the “Company”)

Minutes of a meeting of the board of directors held at
on 8th August 2024 at 08:30hrs via Teams

Present:

Neil Hutchings (NH) (in the chair)
Clem Morfuni (CM)
Anthony Hall (AH)
Chris Howell (CH)
Robert Carter (RC)
Jeremy Webb (JW)
Steve Mytton (SM)

1. Preliminary

- 1.1. A quorum being present, the Chair declared the meeting open.
- 1.2. The agenda for the meeting had been circulated in advance and all directors confirmed receipt.

2. Matters Arising from 11th July 2024 Board Meeting

- 2.1 A call with UHY Ross Brooke had taken place to discuss their report with regards to lease incentives and Corporation Tax. Feedback was shared within the meeting as part of the later agenda item.
- 2.2 The Fanzone has secured planning consent and SM provided an updated cost estimate as part of the later agenda item.
- 2.3 A “beauty parade” of potential architects has taken place. AH provided feedback as part of the later agenda item.
- 2.4 Contributions by the Company to the Legends Lounge refurbishment was covered during the later agenda point on lease incentive advice.
- 2.5 It was confirmed that for the 2024/25 season, the stadium would be known as the Nigel Eady County Ground, a decision which was warmly welcomed by all attending the meeting.

3. Architect Selection Progress

- 3.1 AH reported that two meetings had been held with prospective architects to support the both the DRS hospitality project and the wider stadium development. Both parties impressed in different ways.
- 3.2 Subject to the final scope and specification of the works, it was felt that the DRS hospitality project could cost between £2-3m to complete.

Company No. 13792068

- 3.3 AH wanted to introduce the parties to Peter Lawson who would likely be a key interface between the architect and SBC. **Action: AH**
- 3.4 CM requested that a final round of proposals be sought from the two parties on a fixed, not variable basis. AH will lead on this process with support from others as required, noting that the target date for appointing the architect had already past (early July '24). **Action: AH**

4. Fanzone/Statue Next Steps

- 4.1 It was confirmed that planning consent for the Fanzone had been granted by SBC.
- 4.2 SM provided provided an update on the current status of the design and his aspirations for future development. The overall size of the design was now 40x20m but gaps to enable food/drinks vehicles and audio/video screens to enter the Fanzone had been retained.
- 4.3 Updated pricing from Valley view was presented to the meeting and it was agreed to proceed. The total cost of the project was estimated at £67,870 plus VAT. CM agreed that the Club would place the order and make the 30% deposit. NH confirmed that the Trust would then contribute one third of the deposit and one third of the final balance upon completion (subject to a total project contribution cap of £24k). RC advised that the Eady Trust would contribute one third of the total cost of the works once the project was complete. **Action: AH**
- 4.4 A copy of SM's presentation is attached to these minutes for reference.
- 4.5 It was agreed that PR/messaging around the project should downplay the "fanzone" element but focus on the community benefits, setting out how the project could be developed further in the future. SM offered to draft a PR for circulation and comment. **Action: SM**
- 4.6 Subject to how the project construction proceeds, a launch event celebrating the unveiling of the statue and the opening of the area should be targeted for November 2024.

5. Tax Advice and Business Plan

- 5.1 NH provided feedback from the call with UHY Ross Brooke in relation to their report with regards to lease incentives and Corporation Tax.
- 5.2 In summary, Company contribution towards longer term issues such as structural repairs, dilapidations etc. could be treated as operating costs and offset against income. Day-to-day repairs (being the responsibility of the Tenant under the lease), improvements and refurbishments would be treated as capital expenditure, not offset against income and thus creating a Corporation Tax liability.
- 5.3 Using the advice received, a discussion took place as to what contribution could be made by the Company towards the current Legends Lounge refurbishment. It was agreed that the project costs should be split out by the contractor to identify those costs relating to structural/leakage damage elements (which it was thought to be okay for the Company to pay for). AH to arrange for the requested information to be provided.

Company No. 13792068

- 5.4 A Business Plan for the current financial year is required in order to seek approval from the Company's shareholders before funds can be spent. CM commented that there was a lot of long term dilapidations which needed addressing around the stadium and it was agreed that this (combined with the Legends Lounge) would form the basis of the Business Plan. CM and AH would discuss after the meeting and produce a list of required works which should be able to be treated at operational costs (i.e. non-capex). **Action: CM/AH**
- 5.5 Once the above information has been provided, NH agreed to draft the Business Plan for review and comment. **Action: NH**

6. JV Annual Accounts/Finance Update

- 6.1 NH advised that he had met with the accountants and provided the following update.
- 6.2 Following the change to the Company's accounting period, the accounts under production would cover the period January 2023 to May 2024.
- 6.3 The Company will have made a profit during this period and Corporation Tax will be due. However, this can be recovered next year if a loss is then incurred.
- 6.4 The current balance in the Company bank account is £96.7k.
- 6.5 The accountant highlighted existing loan account from the Club and the Trust to the Company (this being initial loans into the Company before the first rental income was received). It was agreed that these loan accounts should be repaid in full. **Action: NH/AH**

7. Any Other Business

- 7.1 There was no other business.

8. Close of meeting

- 8.1 There being no further business, the Chair declared the meeting closed.

.....

Chairman

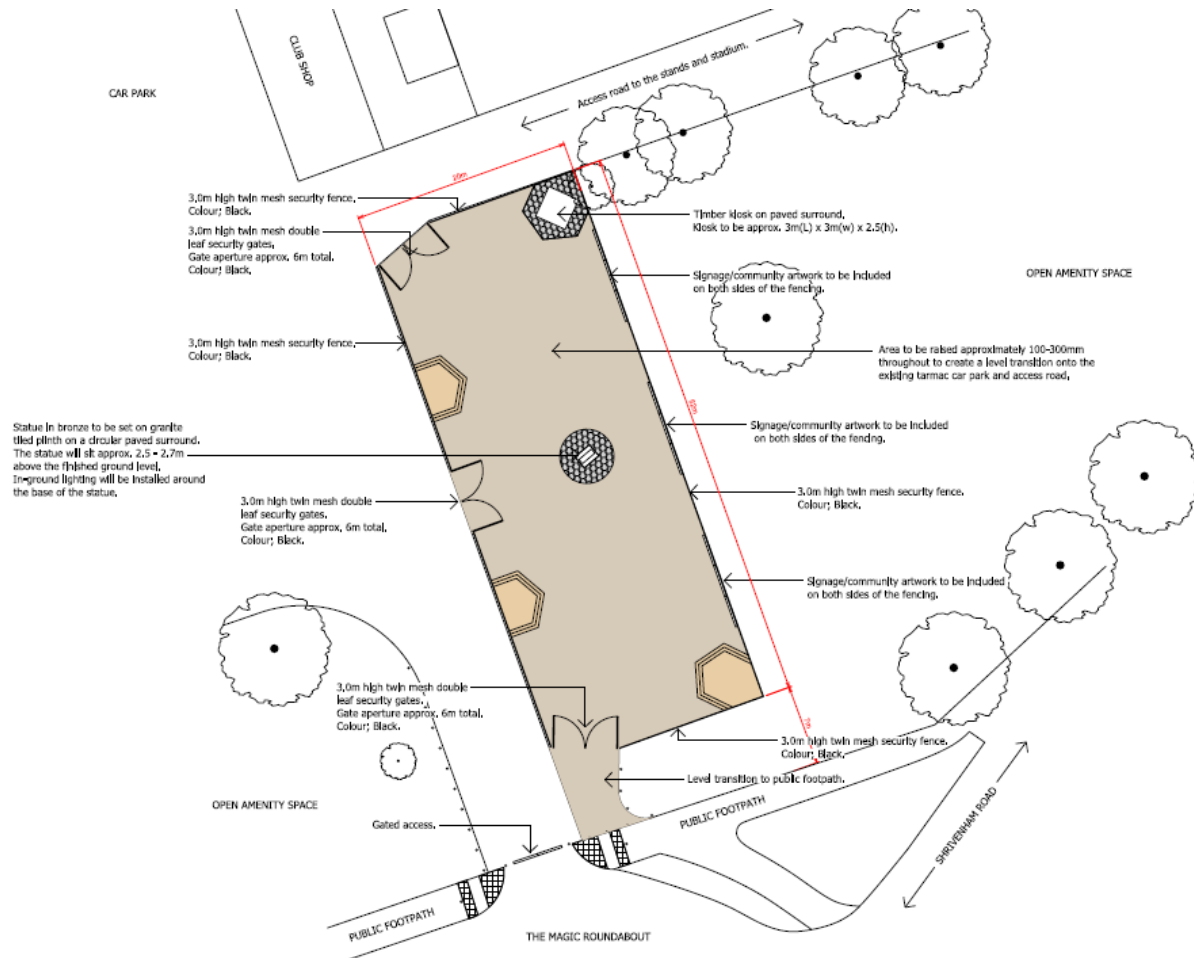

County Ground Fan Zone / Community Area

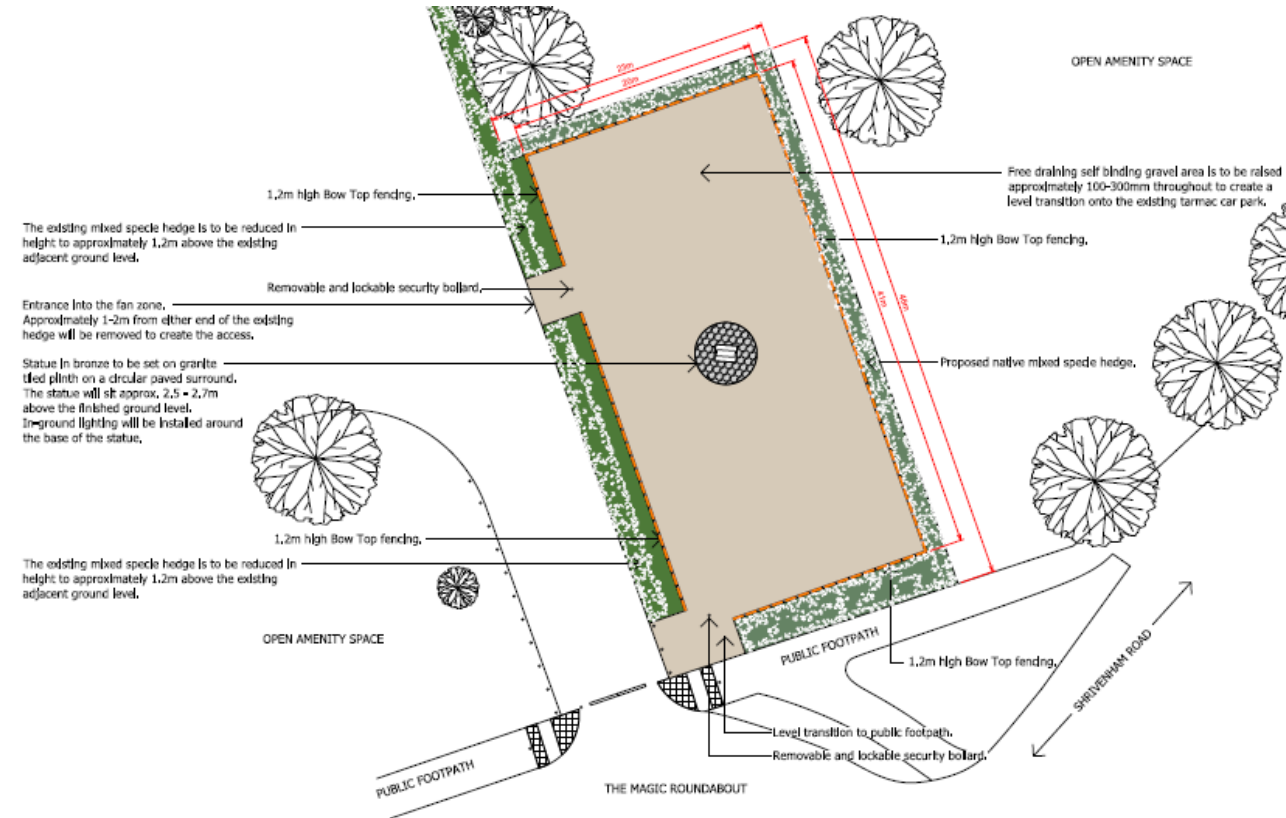

High-Level Summary

- **Planning Permission granted** on 31st July
- **Groundworks scheduled for October** pending deposit payment (updated quote received on 6th Aug)
- **Further investment required** if Fan Zone launch is planned for 2024
- **Operational staffing** also needs consideration
- **Replica small scale statue received** from Alan Herriott, to be used for promotional work
- **Proposed target date for statue unveiling and fan zone launch:** Morecambe, Saturday, 23rd November
- **Detailed planning now underway**, plenty to think about...
- **PR around this entire project is crucial**, we need to align around this – the fan zone will evolve

Valley View Costs – Original vs Revised

Original Agreed **£55,378**

Revised **£67,870 (+12,492)**

Price Increases Explained - Retainer

Security Fencing Acting as a Retainer

The security fencing served a dual purpose, acting as both a fence and a retainer to some extent. The primary function here is security rather than supporting a load like railings.

Materials

The materials used for security fencing are different to those required for supporting railings. The fencing was prefabricated panels that didn't need extensive foundations.

Original

Foundation and Retainer for 1m High Bow Top Railings

This retainer is being built to support 1-metre high bow top railings, which require a more substantial and durable foundation to ensure stability and safety.

Materials

The materials used for a foundation and retainer that supports 1-metre high railings will need to be of higher quality and strength.

Revised

Price Increases Explained - Hedging

Valley View will now supply and plant 153m2 of mixed hedging and these will be covered with fresh topsoil and bark

They will also remove the small section of hedging required for vehicle entry

and

Two removable and lockable bollards will be installed,

As the area is now open to the public 24 x 7 and we need to prevent vehicle access to the area

Revised – New Requirements

Premier League Inspiration

Crystal Palace and Manchester City Fan Zones

Premier League Inspiration

Fan Zone Ideas

Manchester City - City Square

- Opens two and half hours before kick-off
- Three large screens and a main stage
- The Summerbee Bar
- Family friendly Blue Moon Café.

Every week, at least one up and coming band or musical act gives a live performance.

Capital FM's DJ Wingman is also on the decks, while **resident comedian**, Mike 'Squeaky' McClean entertains the fans with competitions and interactive games to win exclusive prizes.

City Square closes 15 minutes before kick-off

It reopens at the final whistle, when it hosts its very own post-match analysis in a 'Match of the Day' style.

Crystal Palace Fan Zone at Selhurst Park

- Fans can grab something to eat and drink, including food freshly prepared on an open-air BBQ.
- A large seating area is in place in front of the main stage and big screen, which hosts live acts as well as appearances by Crystal Palace mascots, Pete and Alice.
- A special section for young fans offers a 'Fastest Shot' machine, EA game station, and a Classroom style area with a range of activities for youngsters to take part in and chances to win Palace prizes.

Premier League and Other Inspiration

Fan Zone Ideas

Ipswich Town Fan Zone

- Bars, live music, food and kids' entertainment
- Opening three hours before kick-off and situated on the fieldturf, the zone is free to entry for all fans with a ticket or match ticket, as well as club members.
- The zone offers a variety of entertainment in the lead up to kick-off. There are bars stocking a range of beers, with the latest news and live matches shown on giant TV screens.
- Traditional matchday food outlets are available, while fans are entertained by live music. And for younger fans, there are bouncy castles and other fun activities.

AS Roma Fan Zone

- The AS Roma Fan Zone is an entertainment area designed for families at Giallorossi home games, inside the Stadio Olimpico.
- Ahead of every home game, children, parents and fans can play each other at table football, or take part in a range of other football-related activities.
- This includes an inflatable penalty shoot out, honing skills with top corner shots, street soccer pool and jumbo target practice.
- There is also music, face painting and demonstrations by Roma's football freestylers.

Site Planning – Blueprint / Ideas

Operational Considerations

This new area can generate significant additional revenues; however, it needs further investment in people and ideas.

Preparation Staffing

Setting up the stage area
Wheeling kiosks into the fan zone (TBC)
Preparing the kiosks with Refreshments / other items
Carrying seating and tabling into the fan zone
Preparing the kid's corner
etc

Fan Zone Staffing

Serving staff
Security
First Aid coverage

Payments

Cash vs Card vs Tokens – in offsite location

Entertainment

Resident band and DJ
Host for interviews
Guest spots for company promotions

Other Costs

Licensing
Heating

Other Ideas with different needs:

Christmas markets (likely too late for 2024)
Big screen for sports events (Football, Rugby etc)
Summer events / Private hire / Wedding photos
