

Trust Initiatives

In our last programme notes, we introduced the Trust and outlined the legal and governance aspects of our work.

This time, we highlight the initiatives that support Swindon Town Football Club, its supporters and the wider community.

New Season Sponsorship

STFC First Team: We are sponsoring the player shirts of Paul Glatzel and Joel McGregor.

STFC Women's Team: We have renewed our shirt sponsorship of Katie Sherwood and added Hannah Cox and Annie Colston, so our sponsorship now covers all first-team players.

The Trust will also sponsor the home match against Exeter on Sunday 8 November. Closer to the date, members can enter a draw to join us as hospitality guests at the match.

End-of-season sponsors' dinners may provide further opportunities for members to win tickets through a draw.

Initiatives and Contributions

- Providing blankets to help disabled supporters stay warm.
- Funding the Don Rogers statue and contributing one-third of the Statue Park costs, now under the stewardship of the STFC Museum.
- Organising the My Town My Shirt project, recipient of the FSA League Two Diversity Award.
- Helping fund the Sensory Room.
- Managing both the Redevelopment Vote and the annual JV Business Plan votes.
- Contributing funding for the John Trollope statue.
- Supporting the creation of a permanent home for the STFC Museum in the Legends Lounge, helping it achieve charitable status.

Next Initiative: Food Bank Collection

Before the Walsall game on 17 October, the Trust will again collect donations for the Swindon Food Collective. After two successful collections last season, we hope Town fans, the Club and players will support this local charity, which helps many people across Swindon and the surrounding area.

In 2025, the Swindon Food Collective supplied more than 90,000 meals to people in genuine need; 31% of recipients were children.

Food parcels are distributed through 12 centres across Swindon and the surrounding area.

Each parcel is designed to last three to five days.

Parcels contain non-perishable food for breakfast, lunch, dinner and snacks. Suggested donations include:

- Toothpaste
- Biscuits
- Long-life milk
- Tea bags (packs of 40 or 80)
- Laundry pods
- Tinned vegetables
- Tinned fish
- Tinned meals, such as spaghetti, ravioli, chilli con carne, macaroni cheese or curry

Find us at the Trust gazebo near Statue Park from 1pm onwards until after the match. You can also donate money on the day using the collection bucket, card reader or QR code.

Your membership and the hard work of our volunteer Trust Board make all this possible.

Membership matters: the more members we have, the stronger our voice. To join, visit www.truststfc.com and select the red button.
